Hello [REDACTED]

Thank you for your purchase. Please make sure that the address, zip code and phone number of your order are correct. A few customers have filled in the wrong address, zip code or cell phone number before, which would lead to a longer shipping time.

We are preparing for the delivery now. We usually ship in 1-4 days. You will get the tracking number within 2-3 business days after shipping generally. You will receive the shoes within 6-12 business days after shipping generally.

If you want to know the status of your order, please use the tracking number to query on the courier website, or you can just come and ask us.

By the way, if you send an email or instagram or whatsapp and don't receive a reply in one day, please contact us in another way. This is because we have encountered a case where a customer said he sent an email, but we actually didn't receive it. We reply to all our emails or messages within a day, usually within a few minutes or hours. So if you don't get a reply in one day, which is not abnormal, please contact us again and try another way.

If you don't receive our email, please check if the email blocked or in the spam.

Please feel free to contact me if you need any further information.

Customer Reviews

The already iconic all white home jersey just got a bit more classy and a bit more classic. It's a look that is inspired by history, while serving as inspiration for what is to come.

During the year that Los Blancos celebrate 120 years, The 2022/23 Real Madrid Home Jersey is a tribute to the club's history. A regular feature on jerseys during the 1990's, there is a collar for the first time since 2016/17. Purple is a color long associated with Real Madrid, also used regularly in the 1990's, and it appears on the collar and shoulders.

- Button down collar.
- Purple on the collar and adidas stripes.
- Embossed white crest all over the shirt.
- Embroidered badge.

Made with recycled materials.

Aeroready technology wicks sweat. 100% Polyester.

Customer Reviews

The Yeezy Slide 'Flax' complements the slip-on's minimalist design with a monochrome finish in a dark beige hue. The pared-down sandal provides a comfortable fit, thanks to a molded one-piece build made with injected EVA. In addition to being lightweight and durable, the foam compound features natural cushioning properties for a smooth ride. The outsole utilizes a series of horizontal grooves, strategically placed for optimal traction and impact protection.

4:55 PM

But our PayPal have rule u need to follow

4:55 PM

1> You will need to send money to "personal" friend and family abroad to china as person.

Unfortunately we dont accept it if you send money as 'goods and services',  
if you send money this way we will need to refund to you.

2> Please don't leave any words in the note section, especially not the goods name, brand name or  
anything about business,  
order or purchase, otherwise paypal will block our account!!!

3> if u pay using a paypal link paypal balance or bank account then you won't need to authorize  
the payment.

if you use a linked card you will need to authorise.

### About Song Sneakers

The story of **Song Sneakers** began in 2018, when we established the brand, determined to bring new changes to the replica sneakers market. Because we are well aware that there are some problems in the market, such as poor quality of some sellers, inadequate after-sales service, etc., which makes many customers feel disappointed and dissatisfied.

Therefore, we decided to solve these problems by creating our own brand. Song Sneakers was born with the goal of providing high-quality replica sneakers and paying attention to customer experience and rights. Song Sneakers has invested a lot of time and energy, strictly controlling every detail in the process of design, production and sales.

The brand purpose of **Song Sneakers** is to provide high-quality replica sneakers at the most favorable price, so that more people can enjoy the fun of sports. We pay attention to customer experience and always put customer interests first, which is an important reason why the Song Sneakers brand can continue to grow and develop.

In the early stages of Song Sneakers, we encountered many difficulties. We need to find a suitable manufacturer, design 1:1 shoes, and establish our own brand reputation in the market. However, Song Sneakers did not shrink back, we have always believed in our own philosophy, and continued to grow and develop through continuous attempts and improvements.

If you have any suggestions for **Song Sneakers**, please let us know through Whatsapp and other contact methods! Every suggestion from you is our most valuable asset!

Name: Yeezy Boost 350 V2 Beluga 2.0

With its name coming from the colorway similarities found on the first Yeezy Boost 350 V2, the **Yeezy Boost 350 V2 Beluga 2.0** dropped on November 25, 2017. It was quickly restocked on November 30th after selling out. The **Yeezy Boost 350 V2 Beluga 2.0** features a muted grey stripe on the laterals instead of the bright orange stripe found on the original 'Beluga' sneaker. Now, **Songsneaker** is selling it.
