Ventile Canvas

Made by the water-haters at Ventile in Lancashire as a luggage-weight variety of their classic weather-proof cotton, and honed again and again until deemed fit to bear the company hallmark. Equivalent in heft to 15oz canvas and woven with the same top percentile of extra-long-staple cotton fibres with which the Ventile name has, since the 1940s, been built.

Made in the British Isles

Shirts and jackets and trousers are cut and sewn in workrooms which do so only for shirts or jackets or trousers. Knitwear is hand-framed in one or another far-flung corner of an island. Cloth — often hand-woven — comes from mills very much above, if you will, the run of most mills. Buckles and toggles and so on are made by old hands in old establishments.

DESCRIPTION

The adidas Yeezy Boost 700 "Teal Blue" is a clean, muted blue rendition of Kanye West's beloved chunky "dad shoe." The Yeezy Boost 700 features high fashion styling fused with heritage adidas lifestyle designs. The upper consists of subdued shades of blue and grey across the various premium leather, suede, and mesh panels. Brown laces add subtle contrast to the look. The Yeezy 700's signature chunky midsole appears in the same muted teal shade of the upper with grey accents. The midsole also houses a full-length Boost cushioning system with a light tan rubber sole below.

Let people all over the world can wear the famous brand

Everyone knows that there is an important industry in Putian City, China, that is replica sneakers. They replicate Nike, Yeezy, Adidas, Air Jordan, etc. You can find any replica luxury goods in this city.

Putian has a very long history of shoe manufacturing, with sophisticated technology, advanced equipment, and standardized production processes, which makes many replica shoes comparable to retail shoes. After years of accumulation, there have been many well-known fake shoe sellers (or called brands) in the copy shoe market, such as PK God, LRJ, H12 factory, OWF, XP, etc.

Now, shoeslegends has reached cooperation with these replica shoes brands, we can get the products directly from their factories, and the prices will be relatively low. We will carefully select their top quality products and sell them at low prices.

We have integrated high-quality replica shoes brands and reached cooperation. For some brands, we are even one of the few distributors. Our aim is always to bring the top quality replica to more fans who love replica shoes at the best price.

Next, we will soon have our own factory and our own brand, our own batch shoes.

shoeslegends provides perfect customer service, including quality inspection, delivery service, customs service, etc.

There are so many Stan Smith shoes to choose from! How do you know which ones will be the best for your friends?

Here are a few things to keep in mind when making your decision:

1. What is their style? Do they prefer classic or modern looks?
2. What is their budget? Some shoes can be quite expensive.
3. What is their size? Make sure you get the right fit!
4. What is their favorite color? You might want to pick a shoe that will match their wardrobe.
5. What type of activity do they usually do in their shoes? If they're mostly sitting at a desk all day, they might not need as much support as someone who is constantly on their feet.

Keep these factors in mind and you're sure to find the perfect Stan Smith shoes for your friends!

Adidas Logo Galaxy-Like Colorful Crocs

Wearing good shoes can help you to feel your best and help prevent injuries. Shoe choice can affect your whole body, not just your feet.

Look for shoes that:

- **Have a stiff back.** Grasp the heel in one hand and the shoe above the heel in the other hand. You should not be able to move the shoe side-to-side around the heel.
- **Have a small amount of torque.** Hold the shoe at both ends. You should be able to twist it slightly.
- **Bend where your toes bend.**
- **Provide arch support.** If the shoe does not have arch support, add an extra arch support.
- **Are wide enough and long enough at the toes.** It should not push the toes in or make them curl.
- **Feel comfortable right away.**

When to replace shoes? – Adidas Logo Galaxy-Like Colorful Crocs

- **Look at the heel.** Most people will wear out the side of the heel over time. When the heel becomes angled, it will alter every step you take and can cause pain in the leg or back. Shoe repair stores may be able to fix the heel. If not, replace the shoe.
- **Running shoes** can cause pain before they look worn. This is because they lose the capacity to absorb shock. The guideline to replace running shoes is **every 350 to 500 miles**. Running shoes **older than one year old** may also cause pain because of changes in the sole with exposure to humidity or heat. Save running shoes for running only and it will prolong the life of the shoe. Old running shoes can be used for walking.

Tips for finding the right shoes

- Take a tracing of your foot with you. Place any shoe you think you might buy on top of the tracing. If the shoe is narrower or shorter than the tracing, don't even try it on.
- Shop for shoes during the afternoon — your foot naturally expands with use during the day.
- Wear the same type of socks to the store that you intend to wear with the shoes.
- Have a salesperson measure both of your feet — and get measured every time you buy new shoes. Feet change with age, often growing larger and wider. If one foot is larger than the other, buy a size that fits the larger foot.

Detail

The 2022/23 Manchester United Away Jersey brings back happy memories of the most successful season in club history : the 1998/99 treble winning campaign.

Led by Sir Alex Ferguson, great players became legends as Beckham, Cole, Shearingham, Keane, York, Schmeichel and others brought Premier League, FA Cup and Champions League trophies to Manchester.

In popular away color white, like the 98/99 jersey, black and cherry red stripes are on the shoulders. The three colors also combine on the collar and cuffs. The look is given that extra retro spice with an updated version of the badge -on -shield logo.

- Black and cherry red accents.

- Black collar and cuffs with a red and white diamonds.

- Heat applied shielded crest.

PRODUCT STORIES

AJ 4 Retro A Ma Manière Violet Ore

The A Ma Manière x AJ 4 Retro "Violet Ore" delivers an elevated take on the legacy silhouette. The Atlanta-based retailer dresses the mid-top in a muted purple nubuck upper, accented with tonal quarter panel netting and a decorative chrome rivet embedded in the lateral collar. Woven Flight tongue tags display mismatched Jumpman and A Ma Manière branding, while molded black heel tabs feature a raised Air logo. Inscribed across the interior side of each heel tab is the phrase "It's not about the shoes ... it's about where you're going." Quilted textile lines the collar and insole for a comfortable fit. The sneaker rides on a cream-colored polyurethane midsole with visible Air-sole cushioning in the heel.

About your accounts

By creating an account on Weekknight/Weekknight.com, you agree to Terms & Conditions of this site. Your conduction and use of this site should be bound by our Terms & Conditions.

Terms of sale

1. Products and pricing

All Products or services information listed on our site are subject to change, including product information, pricing, and availability. Weekknight/Weekknight.com reserves the right, at any time, to modify, suspend, or discontinue any site information or the sale of any product with or without notice.

Unless otherwise noted, the strike-through price displayed for products on our site is based on the suggested retail price for the product provided to Weekknight/Weekknight.com by the manufacturer or vendor. Certain products on our site are similar - but not identical - to products sold through other retailers. In this case, the strike-through price represents the estimated regular retail value of a comparable item of similar quality offered elsewhere. Because we sell our products to the United States, the strike-through price may or may not represent the prevailing price at any particular time or in every location, and we make no promises about the reliability or accuracy of any such information. For international sales, the strike-through price represents the retail price suggested to Weekknight/Weekknight.com by the manufacturer or vendor, based on what such items would be sold for in the US market, plus exchange rate conversion and, if applicable, an adjustment for additional international surcharges that cover items such as taxes, duties, and shipping. Weekknight/Weekknight.com will always endeavor to offer you products of best quality and reasonable price.

2. Payment terms

For each product you order on our site, you agree to pay the price applicable for the product at the time you submit your order. Currently, Weekknight/Weekknight.com bears duties and taxes for your purchases. The final order total consists of the price of your items and its correspondent shipping cost. Payment will be deducted from your PayPal account or credit card account.

Modification

Weekknight/Weekknight.com reserves the right, at any time, to modify, suspend, or discontinue the site or any part with or without notice. You agree that Weekknight/Weekknight.com is not liable to you or to any third party for any modification, suspension, or discontinuance of the site or any part.

Customers have 14 days from the date of delivery to change your mind and return the items without explaining the reason and Weekknight/Weekknight.com has to issue a refund. You can request a return by contacting us at Weekknight/Weekknight.com. After receiving the return item, Weekknight/Weekknight.com has to issue a refund back to customers' account.

We reserve the right at all times to discontinue or modify any part of these Terms & Conditions in our sole discretion. If we make changes that affect your use of the site or our services, we will post notice of the change on the Terms & Conditions page. Any changes to these Terms & Conditions will be effective upon our posting of the notice. If you do not agree to the changes, you may close your account, and you should not use the site or any services offered through the site after the effective date of the changes. We suggest that you revisit our Terms & Conditions regularly to ensure that you stay informed of any changes.

PRODUCT DETAILS

The adidas Yeezy 500 “Salt” released in fall 2018 and offered a fresh take on Kanye West’s silhouette. Like previous Yeezy 500 colorways, the “Salt” edition features a tonal look. A grey hue is used on the premium suede, leather, and mesh. The design blurs the lines between vintage sports performance and modern fashion trends. It features an adidas Feet You Wear outsole for a chunky aesthetic, while the upper takes inspiration from high-fashion footwear. The Yeezy 500 has been one of Kanye West’s most popular models since its debut in early 2018, and this clean grey edition only furthers its wide-ranging appeal.

Description

Style: FW2498

Colorway: Carbon Blue/Carbon Blue/Carbon Blue

Release Date: 12/18/2019

Yeezy adds to its ever growing 700 line with the adidas Yeezy Boost 700 Carbon Blue. Trailing the releases of the Magnet and Teal Blue colorways, this shoe stays true to the Yeezy aesthetic with a new tonal variation that stays in the same ballpark of other 700 releases. This 700 is composed of a mix of grey and carbon blue tones that are assorted amongst a mix of suede and mesh. A grey rubber midsole and gum outsole completes the design.
