Hello [REDACTED]

Thank you for your purchase. Please make sure that the address, zip code and phone number of your order are correct. A few customers have filled in the wrong address, zip code or cell phone number before, which would lead to a longer shipping time.

We are preparing for the delivery now. We usually ship in 1-4 days. You will get the tracking number within 2-3 business days after shipping generally. You will receive the shoes within 6-12 business days after shipping generally.

If you want to know the status of your order, please use the tracking number to query on the courier website, or you can just come and ask us.

By the way, if you send an email or instagram or whatsapp and don't receive a reply in one day, please contact us in another way. This is because we have encountered a case where a customer said he sent an email, but we actually didn't receive it. We reply to all our emails or messages within a day, usually within a few minutes or hours. So if you don't get a reply in one day, which is not abnormal, please contact us again and try another way.

If you don't receive our email, please check if the email blocked or in the spam.

Please feel free to contact me if you need any further information.

The signature Gazelle sneaker appears in beige and ebony GG Supreme canvas.

A second chapter in the adidas and Gucci collection, where the Web continues to juxtapose with the three white stripes and the GG monogram combines with the Trefoil. The signature Gazelle sneaker appears in beige and ebony GG Supreme canvas.

## Jordan 1 Retro High OG Lost and Found

The original Air Jordan 1 Chicago colorway was first introduced in 1985 and has only been retroed a few times since. But 2022 is the year that the colorway returns with an added vintage look. Pre-yellowed accents and cracked leather uppers showcase a fabricated look of age and wear.
