What methods of shipping do you offer, and what can you tell me about them?

It's been two weeks, where is my order?

I am looking for a handbag that is not listed on your site, can you provide them?

I ordered and received the handbag but I wish to change it for some other model, what are my options?

Will the funds be paid immediately or after I get the goods when I purchase by Credit Card?

How do you ensure your products after I finish payment?

Will I have problem with customs?

Q: How long does shipping take? Back

A: The shipping time will vary based on where you are located and whether the product you order is in stock. We will notify you the estimated delivery time of your item. If you are in stock, we will deliver it to you within 7-14 working days.

Q: How much do you charge for shipping? Back

A: All of our shipments are free worldwide.

Q: What happens if my shipment is lost or stolen? Back

A: It is unlikely that your package is lost or stolen. If we approve that your handbag disappears, we will send you another handbag. But if the postal service delivers the handbag to a wrong address or you have moved or changed your address without notifying us in advance, we can do nothing to recover your handbag.

Q: What methods of shipping do you offer, and what can you tell me about them? Back

Meanwhile, you will receive our notification. So you do not have to email us asking if your package has been shipped.

Q: I am looking for a handbag that is not listed on your site, can you provide them? Back

A: If you are looking for a handbag we don't list on our site. Please contact

support@robotfacebook.com

Q: I ordered and received the handbag but I wish to change it for some other model, what are my options? Back

A: If you have made a mistake in ordering a wrong handbag and wish to change for a different model, we allow an exchange process within 3 days of receiving the handbag. The exchange handling & shipping cost will apply.

Q: Will the funds be paid immediately or after I get the goods when I purchase by Credit Card? Back

A: The funds should be paid immediately by Credit Card. If the products quality has a problem after you receive the goods, please contact us ASAP, we will deal with the return for you.

Q: How do you ensure your products after I finish payment? Back

A: Within 3 working days after you finish payment, we will send a detailed list which is including: order number, payment time, tracking number of the express, payment sum, product name purchased, and amount, expiration date, probably deliver time.

Q: What quality grade are your handbags? Back

A: We only sell the top grade bags, our bags are made exactly like being described in last point.

Q: Will I have problem with customs? Back

A: We have many years experience in shipping handbags worldwide. We guarantee that the items will be sent to you directly. We can let our products pass the customs safely by a special way.

I have read everything in your FAQ, but still can't find the answer to my questions? It's pretty easy, just contact our customer service by email support@robotfacebook.com, we will reply to you as soon as possible.

CUSTOMER REVIEWS

These are actually surprisingly well made, the quilting of the leather looks similar to the auth, the caviar graining is surprisingly nice.

- charlibaltimore

Oh my gosh... I love it so much.thank you.It's worth the wait for over 15days.So good.I definitely like it.I want to buy again.

- chromebandit

The overall construction is lovely. Leather is so soft and lush, no odd smells. Interior Leather is soft as well, no notable defects or concerns. Brand Logo and stamping are neat and well formed. No tangled chain straps and the bag has a nice weight to it, does not lean to either side when standing

DESCRIPTION

Instantly recognizable emblems of the brand, logos enrich designs in new and unexpected ways. Behind every logo lies the tradition and value of the House, an everlasting medium one can wear again and again. Following the idea of constant change and experimentation, different iterations of the logo have been presented each collection. The jumbo GG, a new, maximalist version of the historic monogram, animates a selection of ready-to-wear and accessories for the Aria collection. This mini Gucci Diana tote is completed by a brown leather trim.

- 20 x 16 x 10 cm

- Camel and ehony jumbo GG canvas
