Since 1993, the Seamaster Professional Diver 300M has enjoyed a legendary following. Today's modern collection has embraced that famous ocean heritage and updated it with OMEGA's best innovation and design.

This 42 mm model is crafted from stainless steel and includes a blue ceramic bezel with a white enamel diving scale. The dial is also polished blue ceramic and features laser-engraved waves and a date window at 6 o'clock.

The skeleton hands and raised indexes are rhodium-plated and are filled with white Super-LumiNova, while the helium escape valve has been given a conical design.

The watch is presented on a blue rubber strap and is driven by the OMEGA Master Chronometer Calibre 8800, which can be seen through the sapphire-crystal on the wave-edged case back.

COVID-19 UPDATE; PLEASE READ
I hope everyone is safe and healthy during these trying times. New York City has for the most part reopened so we are back in our normal office. That being said, we are still operating with limited hours, as are all of the local FedEx Shipping Centers around us. All watches should be shipped within 48-72 hours after payment is confirmed (with a few exceptions). For the safety of all employees, and their families, we are not allowing any visitors into the office whether by appointment or walk-ins.

Our timepieces are guaranteed authentic.

Each one of our timepieces go through a vigorous multipoint inspection and are carefully serviced and detailed (if needed) with only authentic original parts. All photos used in our listings are taken in-house.

We are also happy to accept trade ins towards your purchase or offer you a cash value for your timepiece.

SHIPPING

We cannot ship out watches on Fridays, Saturdays, or Sundays. No exceptions.

WARRANTY

All of our watches are backed by a 1 Year Limited Warranty on the movement of the watch. The warranty does not cover loss, theft, minor cosmetic damage to your watch. Any damage caused by negligence or mishandling of the timepiece is not covered including water damage.

Refund policy

We have a 30-day return policy, which means you have 30 days after receiving your item to request a return.

To be eligible for a return, your item must be in the same condition that you received it, unworn or unused, with tags, and in its original packaging. You'll also need the receipt or proof of purchase.

To start a return, you can contact us at okazabryanas47@gmail.com. If your return is accepted, we'll send you a return shipping label, as well as instructions on how and where to send your package. Items sent back to us without first requesting a return will not be accepted.

You can always contact us for any return question at okazabryanas47@gmail.com.

Damages and issues
Please inspect your order upon reception and contact us immediately if the item is defective, damaged or if you receive the wrong item, so that we can evaluate the issue and make it right.

Exceptions / non-returnable items
Certain types of items cannot be returned, like perishable goods (such as food, flowers, or plants), custom products (such as special orders or personalized items), and personal care goods (such as beauty products). We also do not accept returns for hazardous materials, flammable liquids, or gases. Please get in touch if you have questions or concerns about your specific item.

Unfortunately, we cannot accept returns on sale items or gift cards.

Exchanges
The fastest way to ensure you get what you want is to return the item you have, and once the return is accepted, make a separate purchase for the new item.

Refunds
We will notify you once we've received and inspected your return, and let you know if the refund was approved or not. If approved, you'll be automatically refunded on your original payment method. Please remember it can take some time for your bank or credit card company to process and post the refund too.

COVID-19 UPDATE; PLEASE READ

I hope everyone is safe and healthy during these trying times. New York City has for the most part reopened so we are back in our normal office. That being said, we are still operating with limited hours, as are all of the local FedEx Shipping Centers around us. All watches should be shipped within 48-72 hours after payment is confirmed (with a few exceptions). For the safety of all employees, and their families, we are not allowing any visitors into the office whether by appointment or walk-ins.

Our timepieces are guaranteed authentic.

Each one of our timepieces go through a vigorous multipoint inspection and are carefully serviced and detailed (if needed) with only authentic original parts. All photos used in our listings are taken in-house.

We are also happy to accept trade ins towards your purchase or offer you a cash value for your timepiece.

SHIPPING

We cannot ship out watches on Fridays, Saturdays, or Sundays. No exceptions.

WARRANTY

All of our watches are backed by a 1 Year Limited Warranty on the movement of the watch. The warranty does not cover loss, theft, minor cosmetic damage to your watch. Any damage caused by negligence or mishandling of the timepiece is not covered including water damage.

COVID-19 UPDATE; PLEASE READ
I hope everyone is safe and healthy during these trying times. New York City has for the most part reopened so we are back in our normal office. That being said, we are still operating with limited hours, as are all of the local FedEx Shipping Centers around us. All watches should be shipped within 48-72 hours after payment is confirmed (with a few exceptions). For the safety of all employees, and their families, we are not allowing any visitors into the office whether by appointment or walk-ins.

Our timepieces are guaranteed authentic.

Each one of our timepieces go through a vigorous multipoint inspection and are carefully serviced and detailed (if needed) with only authentic original parts. All photos used in our listings are taken in-house.

We are also happy to accept trade ins towards your purchase or offer you a cash value for your timepiece.

SHIPPING

We cannot ship out watches on Fridays, Saturdays, or Sundays. No exceptions.

WARRANTY

All of our watches are backed by a 1 Year Limited Warranty on the movement of the watch. The warranty does not cover loss, theft, minor cosmetic damage to your watch. Any damage caused by negligence or mishandling of the timepiece is not covered including water damage.

COVID-19 UPDATE; PLEASE READ
I hope everyone is safe and healthy during these trying times. New York City has for the most part reopened so we are back in our normal office. That being said, we are still operating with limited hours, as are all of the local FedEx Shipping Centers around us. All watches should be shipped within 48-72 hours after payment is confirmed (with a few exceptions). For the safety of all employees, and their families, we are not allowing any visitors into the office whether by appointment or walk-ins.

Our timepieces are guaranteed authentic.

Each one of our timepieces go through a vigorous multipoint inspection and are carefully serviced and detailed (if needed) with only authentic original parts. All photos used in our listings are taken in-house.

We are also happy to accept trade ins towards your purchase or offer you a cash value for your timepiece.

SHIPPING

We cannot ship out watches on Fridays, Saturdays, or Sundays. No exceptions.

WARRANTY

All of our watches are backed by a 1 Year Limited Warranty on the movement of the watch. The warranty does not cover loss, theft, minor cosmetic damage to your watch. Any damage caused by negligence or mishandling of the timepiece is not covered including water damage.

Functions

Date

Since 1993, the Seamaster Professional Diver 300M has enjoyed a legendary following. Today’s modern collection has embraced that famous ocean heritage and updated it with OMEGA’s best innovation and design.

This 42 mm model is crafted from stainless steel and includes a black ceramic bezel with a white enamel diving scale. The dial is also polished black ceramic and features laser-engraved waves and a date window at 6 o’clock.

The skeleton hands and raised indexes are rhodium-plated and are filled with white Super-LumiNova, while the helium escape valve has been given a conical design.

The watch is presented on a black rubber strap and is driven by the OMEGA Master Chronometer Calibre 8800, which can be seen through the sapphire-crystal on the wave-edged caseback.

COVID-19 UPDATE; PLEASE READ
I hope everyone is safe and healthy during these trying times. New York City has for the most part reopened so we are back in our normal office. That being said, we are still operating with limited hours, as are all of the local FedEx Shipping Centers around us. All watches should be shipped within 48-72 hours after payment is confirmed (with a few exceptions). For the safety of all employees, and their families, we are not allowing any visitors into the office whether by appointment or walk-ins.

Our timepieces are guaranteed authentic.

Each one of our timepieces go through a vigorous multipoint inspection and are carefully serviced and detailed (if needed) with only authentic original parts. All photos used in our listings are taken in-house.

We are also happy to accept trade ins towards your purchase or offer you a cash value for your timepiece.

SHIPPING

We cannot ship out watches on Fridays, Saturdays, or Sundays. No exceptions.

Since 1993, the Seamaster Professional Diver 300M has enjoyed a legendary following. Today's modern collection has embraced that famous ocean heritage and updated it with OMEGA's best innovation and design.

This 42 mm model is crafted from stainless steel and includes a blue ceramic bezel with a white enamel diving scale. The dial is also polished blue ceramic and features laser-engraved waves and a date window at 6 o'clock.

The skeleton hands and raised indexes are rhodium-plated and are filled with white Super-LumiNova, while the helium escape valve has been given a conical design.

The watch is presented on a blue rubber strap and is driven by the OMEGA Master Chronometer Calibre 8800, which can be seen through the sapphire-crystal on the wave-edged case back.

Privacy policy

DailySale, Inc Privacy Policy

This Privacy Policy describes how your personal information is collected, used, and shared when you visit or make a purchase from https://merakivo.shop (the "Site").

Personal information we collect
When you visit the Site, we automatically collect certain information about your device, including information about your web browser, IP address, time zone, and some of the cookies that are installed on your device. Additionally, as you browse the Site, we collect information about the individual web pages or products that you view, what websites or search terms referred you to the Site, and information about how you interact with the Site. We refer to this automatically-collected information as "Device Information". The website uses cookies to help keep track of items you put into your shopping cart and to tell us whether you have visited the Website in the past. This allows visitors to the online store to maintain shopping carts between visits. We also use cookies as the location to trigger abandoned cart messages.

We collect Device Information using the following technologies:
- "Cookies" are data files that are placed on your device or computer and often include an anonymous unique identifier. For more information about cookies, and how to disable cookies, visit http://www.merakivo.shop
- "Log files" track actions occurring on the Site, and collect data including your IP address, browser type, Internet service provider, referring/exit pages, and date/time stamps.
- "Web beacons", "tags", and "pixels" are electronic files used to record information about how you browse the Site.

Additionally when you make a purchase or attempt to make a purchase through the Site, we collect certain information from you, including your name, billing address, shipping address, payment information including credit card numbers, PayPal, Amazon Pay, Google Pay & Apple Pay, email address, and phone number. We refer to this information as "Order Information".

When we talk about "Personal Information" in this Privacy Policy, we are talking both about Device Information and Order Information.

How do we use your personal information?
We use the Order Information that we collect generally to fulfill any orders placed through the Site (including processing your payment information, arranging for shipping, and providing you with invoices and/or order confirmations). Additionally, we use this Order Information to:
- Communicate with you;
- Screen our orders for potential risk or fraud; and
- When in line with the preferences you have shared with us, provide you with information or advertising relating to our products or services.

We use the Device Information that we collect to help us screen for potential risk and fraud (in particular, your IP address), and more generally to improve and optimize our Site (for example, by generating analytics about how our customers browse and interact with the Site, and to assess the success of our marketing and advertising campaigns).

Sharing you personal Information
We share your Personal Information with third parties to help us use your Personal Information, as described above. For example, we use Shopify to power our online store--you can read more about how Shopify uses your Personal Information here: https://www.merakivo.shop. We also use Google Analytics to help us understand how our customers use the Site -- you can read more about how Google uses your Personal Information here: https://www.merakivo.shop. You can also opt-out of Google Analytics here: https://merakivo.shop

Finally, we may also share your Personal Information to comply with applicable laws and regulations, to respond to a subpoena, search warrant or other lawful request for information we receive, or to otherwise protect our rights.

Behavioural advertising
As described above, we use your Personal Information to provide you with targeted advertisements or marketing communications we believe may be of interest to you. For more information about how targeted advertising works, you can visit the Network Advertising Initiative's ("NAI") educational page at http://www.networkadvertising.org/understanding-online-advertising/how-does-it-work.

Additionally, you can opt out of some of these services by visiting the Digital Advertising Alliance's opt-out portal at: http://merakivo.shop

Return & Exchanges

Customers may apply for a return or exchange within 14 days after receiving product(s). Refunds will be made by the same method you used to pay.
Please note: items marked "Final Sale" cannot be returned/exchanged.
Sale and promotional items are excluded and remain subject to our regular return/exchange policy.

CANCELLATION

We accept order cancellations before product processing. If the order is cancelled by that time, you will get a full refund.
If the product has already been shipped out, we will unfortunately be unable to cancel the order.

RETURN/EXCHANGE CONDITIONS

- All items must be returned in their original selling condition, without having been worn, washed or altered, and with all their tags still attached.
- All items must be returned with their original boxes.
- All items must be returned in one package.
- Return/Exchange shipments must be made using the same service as the original delivery.
- We can only accept returns/exchanges from the country to which an order was originally shipped, for example, orders delivered to the US must be returned from the US
- Customised items cannot be returned.
- The return/exchange is unfortunately not free of charge (import and shipping fees will be charged at your own expense).
- For hygiene reasons, underwear briefs, certain jewellery, make-up and skincare products cannot be returned. Swimwear briefs and swimsuits can only be returned if the sanitary liner strip is intact.
- Naturally any faulty items can be returned.

We reserve the right not to accept any return/exchange if the product shows signs of wear or has been used or altered from its original condition.
You will be informed if we propose to reject your refund/exchange; you may choose to have the product sent back to you at your own expense.

HOW TO RETURN AN ITEM OR AN ENTIRE ORDER?

Step 1: Please contact our Customer service team to start the return process with the following information:

- Order number
- Proof of purchase
- Video or photo of the faulty product

Step 2: Insert your receipt, along with the items, back into the original packaging.

Step 4: Turn package over to the courier, after the courier has checked the return shipment, please close the package securely.

REFUND

In case of a return, your refund will be credited to the original payment method. Shipping costs will not be refunded by您的店铺名称（e.g., shoplus） in case of returns.
