For the safety of all employees, and their families, we are not allowing any visitors into the office whether by appointment or walk-ins.

Our timepieces are guaranteed authentic.

Each one of our timepieces go through a vigorous multipoint inspection and are carefully serviced and detailed (if needed) with only authentic original parts. All photos used in our listings are taken in-house.

We are also happy to accept trade ins towards your purchase or offer you a cash value for your timepiece.

WARRANTY

All of our watches are backed by a 1 Year Limited Warranty on the movement of the watch. The warranty does not cover loss, theft, minor cosmetic damage to your watch. Any damage caused by negligence or mishandling of the timepiece is not covered including water damage.

COVID-19 UPDATE; PLEASE READ
I hope everyone is safe and healthy during these trying times. New York City has for the most part reopened so we are back in our normal office. That being said, we are still operating with limited hours, as are all of the local FedEx Shipping Centers around us. All watches should be shipped within 48-72 hours after payment is confirmed (with a few exceptions). For the safety of all employees, and their families, we are not allowing any visitors into the office whether by appointment or walk-ins.

Our timepieces are guaranteed authentic.

Each one of our timepieces go through a vigorous multipoint inspection and are carefully serviced and detailed (if needed) with only authentic original parts. All photos used in our listings are taken in-house.

We are also happy to accept trade ins towards your purchase or offer you a cash value for your timepiece.

SHIPPING

We cannot ship out watches on Fridays, Saturdays, or Sundays. No exceptions.

WARRANTY

All of our watches are backed by a 1 Year Limited Warranty on the movement of the watch. The warranty does not cover loss, theft, minor cosmetic damage to your watch. Any damage caused by negligence or mishandling of the timepiece is not covered including water damage.

COVID-19 UPDATE; PLEASE READ
I hope everyone is safe and healthy during these trying times. New York City has for the most part reopened so we are back in our normal office. That being said, we are still operating with limited hours, as are all of the local FedEx Shipping Centers around us. All watches should be shipped within 48-72 hours after payment is confirmed (with a few exceptions). For the safety of all employees, and their families, we are not allowing any visitors into the office whether by appointment or walk-ins.

Our timepieces are guaranteed authentic.

Each one of our timepieces go through a vigorous multipoint inspection and are carefully serviced and detailed (if needed) with only authentic original parts. All photos used in our listings are taken in-house.

We are also happy to accept trade ins towards your purchase or offer you a cash value for your timepiece.

SHIPPING

We cannot ship out watches on Fridays, Saturdays, or Sundays. No exceptions.

WARRANTY

All of our watches are backed by a 1 Year Limited Warranty on the movement of the watch. The warranty does not cover loss, theft, minor cosmetic damage to your watch. Any damage caused by negligence or mishandling of the timepiece is not covered including water damage.

COVID-19 UPDATE; PLEASE READ
I hope everyone is safe and healthy during these trying times. New York City has for the most part reopened so we are back in our normal office. That being said, we are still operating with limited hours, as are all of the local FedEx Shipping Centers around us. All watches should be shipped within 48-72 hours after payment is confirmed (with a few exceptions). For the safety of all employees, and their families, we are not allowing any visitors into the office whether by appointment or walk-ins.

Our timepieces are guaranteed authentic.

Each one of our timepieces go through a vigorous multipoint inspection and are carefully serviced and detailed (if needed) with only authentic original parts. All photos used in our listings are taken in-house.

We are also happy to accept trade ins towards your purchase or offer you a cash value for your timepiece.

SHIPPING

We cannot ship out watches on Fridays, Saturdays, or Sundays. No exceptions.

WARRANTY

All of our watches are backed by a 1 Year Limited Warranty on the movement of the watch. The warranty does not cover loss, theft, minor cosmetic damage to your watch. Any damage caused by negligence or mishandling of the timepiece is not covered including water damage.

Since 1993, the Seamaster Professional Diver 300M has enjoyed a legendary following. Today's modern collection has embraced that famous ocean heritage and updated it with OMEGA's best innovation and design.

This 42 mm model is crafted from stainless steel and includes a blue ceramic bezel with a white enamel diving scale. The dial is also polished blue ceramic and features laser-engraved waves and a date window at 6 o'clock.

The skeleton hands and raised indexes are rhodium-plated and are filled with white Super-LumiNova, while the helium escape valve has been given a conical design.

The watch is presented on a blue rubber strap and is driven by the OMEGA Master Chronometer Calibre 8800, which can be seen through the sapphire-crystal on the wave-edged case back.

COVID-19 UPDATE; PLEASE READ
I hope everyone is safe and healthy during these trying times. New York City has for the most part reopened so we are back in our normal office. That being said, we are still operating with limited hours, as are all of the local FedEx Shipping Centers around us. All watches should be shipped within 48-72 hours after payment is confirmed (with a few exceptions). For the safety of all employees, and their families, we are not allowing any visitors into the office whether by appointment or walk-ins.

Our timepieces are guaranteed authentic.

Each one of our timepieces go through a vigorous multipoint inspection and are carefully serviced and detailed (if needed) with only authentic original parts. All photos used in our listings are taken in-house.

We are also happy to accept trade ins towards your purchase or offer you a cash value for your timepiece.

SHIPPING

We cannot ship out watches on Fridays, Saturdays, or Sundays. No exceptions.

WARRANTY

All of our watches are backed by a 1 Year Limited Warranty on the movement of the watch. The warranty does not cover loss, theft, minor cosmetic damage to your watch. Any damage caused by negligence or mishandling of the timepiece is not covered including water damage.

Customers may apply for a return or exchange within 14 days after receiving product(s). Refunds will be made by the same method you used to pay.
Please note: items marked “Final Sale” cannot be returned/exchanged.
Sale and promotional items are excluded and remain subject to our regular return/exchange policy.

We accept order cancellations before product processing. If the order is cancelled by that time, you will get a full refund.
If the product has already been shipped out, we will unfortunately be unable to cancel the order.

- All items must be returned with their original boxes.
- All items must be returned in one package.
- Return/Exchange shipments must be made using the same service as the original delivery.
- We can only accept returns/exchanges from the country to which an order was originally shipped, for example, orders delivered to the US must be returned from the US
- Customised items cannot be returned.
- The return/exchange is unfortunately not free of charge (import and shipping fees will be charged at your own expense).

Since 1993, the Seamaster Professional Diver 300M has enjoyed a legendary following. Today's modern collection has embraced that famous ocean heritage and updated it with OMEGA's best innovation and design.

This 42 mm model is crafted from stainless steel and includes a black ceramic bezel with a white enamel diving scale. The dial is also polished black ceramic and features laser-engraved waves and a date window at 6 o'clock.

The skeleton hands and raised indexes are rhodium-plated and are filled with white Super-LumiNova, while the helium escape valve has been given a conical design.

The watch is presented on a black rubber strap and is driven by the OMEGA Master Chronometer Calibre 8800, which can be seen through the sapphire-crystal on the wave-edged caseback.

COVID-19 UPDATE; PLEASE READ
I hope everyone is safe and healthy during these trying times. New York City has for the most part reopened so we are back in our normal office. That being said, we are still operating with limited hours, as are all of the local FedEx Shipping Centers around us. All watches should be shipped within 48-72 hours after payment is confirmed (with a few exceptions). For the safety of all employees, and their families, we are not allowing any visitors into the office whether by appointment or walk-ins.

Our timepieces are guaranteed authentic.

Each one of our timepieces go through a vigorous multipoint inspection and are carefully serviced and detailed (if needed) with only authentic original parts. All photos used in our listings are taken in-house.

We are also happy to accept trade ins towards your purchase or offer you a cash value for your timepiece.

SHIPPING

We cannot ship out watches on Fridays, Saturdays, or Sundays. No exceptions.

WARRANTY

All of our watches are backed by a 1 Year Limited Warranty on the movement of the watch. The warranty does not cover loss, theft, minor cosmetic damage to your watch. Any damage caused by negligence or mishandling of the timepiece is not covered including water damage.

Functions

Date

Since 1993, the Seamaster Professional Diver 300M has enjoyed a legendary following. Today��s modern collection has embraced that famous ocean heritage and updated it with OMEGA��s best innovation and design.

This 42 mm model is crafted from stainless steel and includes a black ceramic bezel with a white enamel diving scale. The dial is also polished black ceramic and features laser-engraved waves and a date window at 6 o��clock.

The skeleton hands and raised indexes are rhodium-plated and are filled with white Super-LumiNova, while the helium escape valve has been given a conical design.

The watch is presented on a black rubber strap and is driven by the OMEGA Master Chronometer Calibre 8800, which can be seen through the sapphire-crystal on the wave-edged caseback.

COVID-19 UPDATE; PLEASE READ
I hope everyone is safe and healthy during these trying times. New York City has for the most part reopened so we are back in our normal office. That being said, we are still operating with limited hours, as are all of the local FedEx Shipping Centers around us. All watches should be shipped within 48-72 hours after payment is confirmed (with a few exceptions). For the safety of all employees, and their families, we are not allowing any visitors into the office whether by appointment or walk-ins.

Our timepieces are guaranteed authentic.

Each one of our timepieces go through a vigorous multipoint inspection and are carefully serviced and detailed (if needed) with only authentic original parts. All photos used in our listings are taken in-house.

We are also happy to accept trade ins towards your purchase or offer you a cash value for your timepiece.

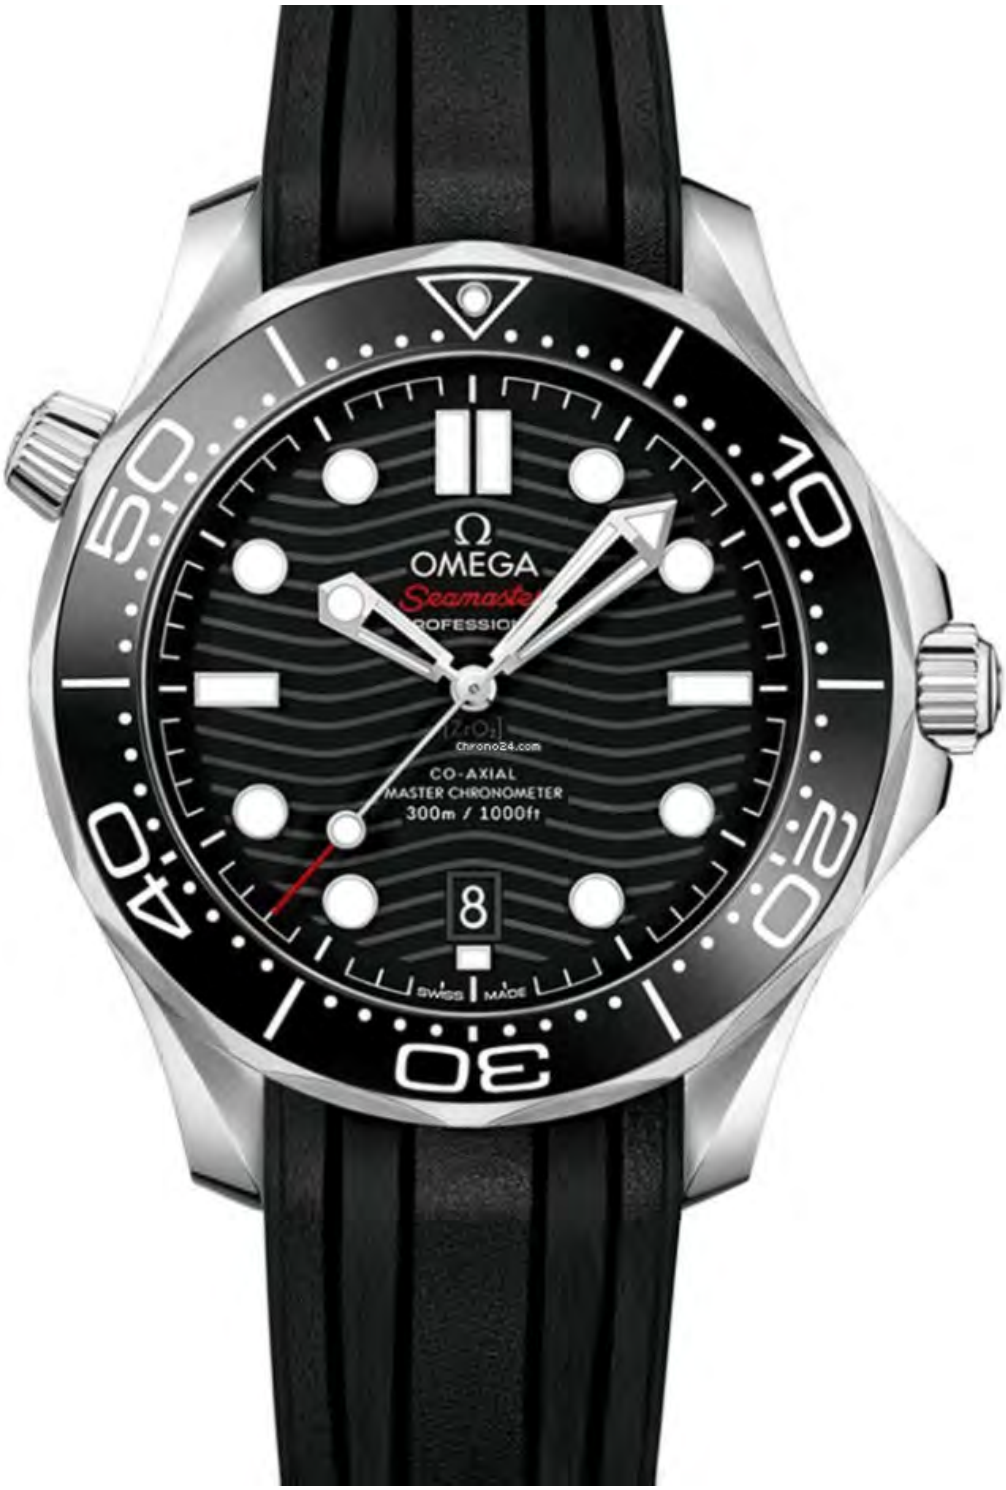

SHIPPING

We cannot ship out watches on Fridays, Saturdays, or Sundays. No exceptions.

WARRANTY

All of our watches are backed by a 1 Year Limited Warranty on the movement of the watch. The warranty does not cover loss, theft, minor cosmetic damage to your watch. Any damage caused by negligence or mishandling of the timepiece is not covered including water damage.

COVID-19 UPDATE; PLEASE READ
I hope everyone is safe and healthy during these trying times. New York City has for the most part reopened so we are back in our normal office. That being said, we are still operating with limited hours, as are all of the local FedEx Shipping Centers around us. All watches should be shipped within 48-72 hours after payment is confirmed (with a few exceptions). For the safety of all employees, and their families, we are not allowing any visitors into the office whether by appointment or walk-ins.

Our timepieces are guaranteed authentic.

Each one of our timepieces go through a vigorous multipoint inspection and are carefully serviced and detailed (if needed) with only authentic original parts. All photos used in our listings are taken in-house.

We are also happy to accept trade ins towards your purchase or offer you a cash value for your timepiece.

SHIPPING

We cannot ship out watches on Fridays, Saturdays, or Sundays. No exceptions.

WARRANTY

All of our watches are backed by a 1 Year Limited Warranty on the movement of the watch. The warranty does not cover loss, theft, minor cosmetic damage to your watch. Any damage caused by negligence or mishandling of the timepiece is not covered including water damage.
