COVID-19 UPDATE; PLEASE READ
I hope everyone is safe and healthy during these trying times. New York City has for the most part reopened so we are back in our normal office. That being said, we are still operating with limited hours, as are all of the local FedEx Shipping Centers around us. All watches should be shipped within 48-72 hours after payment is confirmed (with a few exceptions). For the safety of all employees, and their families, we are not allowing any visitors into the office whether by appointment or walk-ins.

Our timepieces are guaranteed authentic.

Each one of our timepieces go through a vigorous multipoint inspection and are carefully serviced and detailed (if needed) with only authentic original parts. All photos used in our listings are taken in-house.

We are also happy to accept trade ins towards your purchase or offer you a cash value for your timepiece.

SHIPPING

We cannot ship out watches on Fridays, Saturdays, or Sundays. No exceptions.

WARRANTY

All of our watches are backed by a 1 Year Limited Warranty on the movement of the watch. The warranty does not cover loss, theft, minor cosmetic damage to your watch. Any damage caused by negligence or mishandling of the timepiece is not covered including water damage.

COVID-19 UPDATE; PLEASE READ
I hope everyone is safe and healthy during these trying times. New York City has for the most part reopened so we are back in our normal office. That being said, we are still operating with limited hours, as are all of the local FedEx Shipping Centers around us. All watches should be shipped within 48-72 hours after payment is confirmed (with a few exceptions). For the safety of all employees, and their families, we are not allowing any visitors into the office whether by appointment or walk-ins.

Our timepieces are guaranteed authentic.

Each one of our timepieces go through a vigorous multipoint inspection and are carefully serviced and detailed (if needed) with only authentic original parts. All photos used in our listings are taken in-house.

We are also happy to accept trade ins towards your purchase or offer you a cash value for your timepiece.

SHIPPING

We cannot ship out watches on Fridays, Saturdays, or Sundays. No exceptions.

WARRANTY

All of our watches are backed by a 1 Year Limited Warranty on the movement of the watch. The warranty does not cover loss, theft, minor cosmetic damage to your watch. Any damage caused by negligence or mishandling of the timepiece is not covered including water damage.

Since 1993, the Seamaster Professional Diver 300M has enjoyed a legendary following. Today's modern collection has embraced that famous ocean heritage and updated it with OMEGA's best innovation and design.

This 42 mm model is crafted from stainless steel and includes a black ceramic bezel with a white enamel diving scale. The dial is also polished black ceramic and features laser-engraved waves and a date window at 6 o'clock.

The skeleton hands and raised indexes are rhodium-plated and are filled with white Super-LumiNova, while the helium escape valve has been given a conical design.

The watch is presented on a black rubber strap and is driven by the OMEGA Master Chronometer Calibre 8800, which can be seen through the sapphire-crystal on the wave-edged caseback.

COVID-19 UPDATE; PLEASE READ
I hope everyone is safe and healthy during these trying times. New York City has for the most part reopened so we are back in our normal office. That being said, we are still operating with limited hours, as are all of the local FedEx Shipping Centers around us. All watches should be shipped within 48-72 hours after payment is confirmed (with a few exceptions). For the safety of all employees, and their families, we are not allowing any visitors into the office whether by appointment or walk-ins.

Our timepieces are guaranteed authentic.

Each one of our timepieces go through a vigorous multipoint inspection and are carefully serviced and detailed (if needed) with only authentic original parts. All photos used in our listings are taken in-house.

We are also happy to accept trade ins towards your purchase or offer you a cash value for your timepiece.

SHIPPING

We cannot ship out watches on Fridays, Saturdays, or Sundays. No exceptions.

WARRANTY

All of our watches are backed by a 1 Year Limited Warranty on the movement of the watch. The warranty does not cover loss, theft, minor cosmetic damage to your watch. Any damage caused by negligence or mishandling of the timepiece is not covered including water damage.

COVID-19 UPDATE; PLEASE READ
I hope everyone is safe and healthy during these trying times. New York City has for the most part reopened so we are back in our normal office. That being said, we are still operating with limited hours, as are all of the local FedEx Shipping Centers around us. All watches should be shipped within 48-72 hours after payment is confirmed (with a few exceptions). For the safety of all employees, and their families, we are not allowing any visitors into the office whether by appointment or walk-ins.

Our timepieces are guaranteed authentic.

Each one of our timepieces go through a vigorous multipoint inspection and are carefully serviced and detailed (if needed) with only authentic original parts. All photos used in our listings are taken in-house.

We are also happy to accept trade ins towards your purchase or offer you a cash value for your timepiece.

SHIPPING

We cannot ship out watches on Fridays, Saturdays, or Sundays. No exceptions.

WARRANTY

All of our watches are backed by a 1 Year Limited Warranty on the movement of the watch. The warranty does not cover loss, theft, minor cosmetic damage to your watch. Any damage caused by negligence or mishandling of the timepiece is not covered including water damage.

Refund policy

We have a 30-day return policy, which means you have 30 days after receiving your item to request a return.

To be eligible for a return, your item must be in the same condition that you received it, unworn or unused, with tags, and in its original packaging. You'll also need the receipt or proof of purchase.

To start a return, you can contact us at okazabryanas47@gmail.com. If your return is accepted, we'll send you a return shipping label, as well as instructions on how and where to send your package. Items sent back to us without first requesting a return will not be accepted.

You can always contact us for any return question at okazabryanas47@gmail.com.

Damages and issues
Please inspect your order upon reception and contact us immediately if the item is defective, damaged or if you receive the wrong item, so that we can evaluate the issue and make it right.

Exceptions / non-returnable items
Certain types of items cannot be returned, like perishable goods (such as food, flowers, or plants), custom products (such as special orders or personalized items), and personal care goods (such as beauty products). We also do not accept returns for hazardous materials, flammable liquids, or gases. Please get in touch if you have questions or concerns about your specific item.

Unfortunately, we cannot accept returns on sale items or gift cards.

Exchanges
The fastest way to ensure you get what you want is to return the item you have, and once the return is accepted, make a separate purchase for the new item.

Refunds
We will notify you once we've received and inspected your return, and let you know if the refund was approved or not. If approved, you'll be automatically refunded on your original payment method. Please remember it can take some time for your bank or credit card company to process and post the refund too.

"I've slept on a very firm mattress for the last decade because I have back pain...after sleeping on this mattress for a week I was pleasantly surprised that I had no back pain

Diana B.

"The mattress is somehow both comfortingly soft and incredibly supportive – I sleep like a baby.

COVID-19 UPDATE; PLEASE READ
I hope everyone is safe and healthy during these trying times. New York City has for the most part reopened so we are back in our normal office. That being said, we are still operating with limited hours, as are all of the local FedEx Shipping Centers around us. All watches should be shipped within 48-72 hours after payment is confirmed (with a few exceptions). For the safety of all employees, and their families, we are not allowing any visitors into the office whether by appointment or walk-ins.

Our timepieces are guaranteed authentic.

Each one of our timepieces go through a vigorous multipoint inspection and are carefully serviced and detailed (if needed) with only authentic original parts. All photos used in our listings are taken in-house.

We are also happy to accept trade ins towards your purchase or offer you a cash value for your timepiece.

SHIPPING

We cannot ship out watches on Fridays, Saturdays, or Sundays. No exceptions.

WARRANTY

All of our watches are backed by a 1 Year Limited Warranty on the movement of the watch. The warranty does not cover loss, theft, minor cosmetic damage to your watch. Any damage caused by negligence or mishandling of the timepiece is not covered including water damage.

RETURN & WARRANTY

- **100% Secure payment** with SSL Encryption.
- If you're not **100% satisfied**, let us know and we'll make it right.

SHIPPING POLICIES

- Orders ship within **5 to 10 business days**.
- **Tip:** Buying 2 products or more at the same time will save you quite a lot on shipping fees.

COVID-19 UPDATE; PLEASE READ
I hope everyone is safe and healthy during these trying times. New York City has for the most part reopened so we are back in our normal office. That being said, we are still operating with limited hours, as are all of the local FedEx Shipping Centers around us. All watches should be shipped within 48-72 hours after payment is confirmed (with a few exceptions). For the safety of all employees, and their families, we are not allowing any visitors into the office whether by appointment or walk-ins.

Our timepieces are guaranteed authentic.

Each one of our timepieces go through a vigorous multipoint inspection and are carefully serviced and detailed (if needed) with only authentic original parts. All photos used in our listings are taken in-house.

We are also happy to accept trade ins towards your purchase or offer you a cash value for your timepiece.

SHIPPING

We cannot ship out watches on Fridays, Saturdays, or Sundays. No exceptions.

WARRANTY

All of our watches are backed by a 1 Year Limited Warranty on the movement of the watch. The warranty does not cover loss, theft, minor cosmetic damage to your watch. Any damage caused by negligence or mishandling of the timepiece is not covered including water damage.

RETURN & WARRANTY

- **100% Secure payment** with SSL Encryption.
- If you're not **100% satisfied**, let us know and we'll make it right.

SHIPPING POLICIES

- Orders ship within **5 to 10 business days**.
- **Tip:** Buying 2 products or more at the same time will save you quite a lot on shipping fees.

Customer Testimonial

“I LOVE this mattress! Firm enough for great support and soft and comfortable in all the right places. Looks sharp too!”

Stanley R.

“I’ve slept on a very firm mattress for the last decade because I have back pain...after sleeping on this mattress for a week I was pleasantly surprised that I had no back pain

Diana B.

“The mattress is somehow both comfortingly soft and incredibly supportive – I sleep like a baby.

Beulah R.

COVID-19 UPDATE; PLEASE READ
I hope everyone is safe and healthy during these trying times. New York City has for the most part reopened so we are back in our normal office. That being said, we are still operating with limited hours, as are all of the local FedEx Shipping Centers around us. All watches should be shipped within 48-72 hours after payment is confirmed (with a few exceptions). For the safety of all employees, and their families, we are not allowing any visitors into the office whether by appointment or walk-ins.

Our timepieces are guaranteed authentic.

Each one of our timepieces go through a vigorous multipoint inspection and are carefully serviced and detailed (if needed) with only authentic original parts. All photos used in our listings are taken in-house.

We are also happy to accept trade ins towards your purchase or offer you a cash value for your timepiece.

SHIPPING

We cannot ship out watches on Fridays, Saturdays, or Sundays. No exceptions.

WARRANTY

All of our watches are backed by a 1 Year Limited Warranty on the movement of the watch. The warranty does not cover loss, theft, minor cosmetic damage to your watch. Any damage caused by negligence or mishandling of the timepiece is not covered including water damage.

RETURN & WARRANTY

- **100% Secure payment** with SSL Encryption.
- If you're not **100% satisfied**, let us know and we'll make it right.

SHIPPING POLICIES

- Orders ship within **5 to 10 business days**.
- **Tip:** Buying 2 products or more at the same time will save you quite a lot on shipping fees.

Description

MISSION TO MERCURY

With its intense deep grey colour and metallic grey VELCRO© strap, this watch means business. The chronograph seconds hand, subdial hands and tachymeter scale are in white. The subdials and bezel background in black. All dials carry the OMEGA X SWATCH branding, as well as the iconic Speedmaster logo and the new MoonSwatch logo. The glass construction, the “hidden” S integrated in the center of the crystal, the fine and sophisticated circular pattern on the dial outer ring and the subdials, the sharp and smooth lugs construction, the iconic “dot over 90” detail on the tachymeter scaled bezel, and of course the unique Bioceramic touch are common to all models and stand for passionate love for details. All hours, minutes, chronograph seconds hands and hour markers sport superluminova for a perfect glow in the dark. SO33A100

COVID-19 UPDATE; PLEASE READ
I hope everyone is safe and healthy during these trying times. New York City has for the most part reopened so we are back in our normal office. That being said, we are still operating with limited hours, as are all of the local FedEx Shipping Centers around us. All watches should be shipped within 48-72 hours after payment is confirmed (with a few exceptions). For the safety of all employees, and their families, we are not allowing any visitors into the office whether by appointment or walk-ins.

Our timepieces are guaranteed authentic.

Each one of our timepieces go through a vigorous multipoint inspection and are carefully serviced and detailed (if needed) with only authentic original parts. All photos used in our listings are taken in-house.

We are also happy to accept trade ins towards your purchase or offer you a cash value for your timepiece.

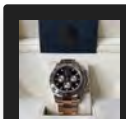

SHIPPING

We cannot ship out watches on Fridays, Saturdays, or Sundays. No exceptions.

WARRANTY

All of our watches are backed by a 1 Year Limited Warranty on the movement of the watch. The warranty does not cover loss, theft, minor cosmetic damage to your watch. Any damage caused by negligence or mishandling of the timepiece is not covered including water damage.

THE ADVANTAGES OF THIS WATCH

? Inside this timepiece are the revolutionary components that guarantee the highest standards of performance. From the Co-Axial escapement for long-lasting precision to the silicon balance spring for superior anti-magnetism, OMEGA has conquered every challenge that matters.

TWICE AS PRECISE AS ANY OFFICIALLY CERTIFIED CHRONOMETER

Our watches are tested and certified twice. Firstly, the movement is tested by the Official Swiss Chronometer Control (COSC) with precision criteria of -4/+6 seconds per day. Then the complete watch and its movement undergo eight Master Chronometer tests set by the Swiss Federal Institute of Metrology (METAS) with criteria of 0/+5 seconds per day.

PROPRIETARY ANTI-MAGNETIC MATERIALS

Everyday items such as mobile phones, metal clasps on handbags, laptops, MRI, induction hobs, or automatic doors; subject a watch to magnetic fields and can affect its performance for good. To prevent the risk of permanent deviations of up to several minutes a day we've conceived movements with antimagnetic materials, such as the silicon balance spring, capable of withstanding the highest fields.

WATER-RESISTANCE

To ensure the integrity of our timepieces at depth, not just some but all watches are fully immersed in water, and pressure is applied up to the point of the guaranteed water resistance. By submerging each watch in the water we have chosen ℃ yet again - to exceed normal testing standards.

🔥Free Worldwide Shipping✈Insufficient stock, ❗ ❗ ❗ Limited to one piece⏰

DURABILITY

Our watches are engineered to the highest standards and certified as such. Each watch destined to become a Master Chronometer must first pass 8 stringent tests. The examinations we perform for precision, magnetic-resistance, power reserve, and water-resistance allow us to cover the certified watches with a comprehensive 5-year warranty.

SHOCK-RESISTANCE

A selection of test watches faces shock-resistance examinations that are equivalent to 5,000 g (1 g is equal to the force of gravity at the Earth's surface) to ensure our complex mechanical mechanisms are also extraordinarily robust. Not just for everyday use but for active sports such as golf and sailing.

COVID-19 UPDATE; PLEASE READ

I hope everyone is safe and healthy during these trying times. New York City has for the most part reopened so we are back in our normal office. That being said, we are still operating with limited hours, as are all of the local FedEx Shipping Centers around us. All watches should be shipped within 48-72 hours after payment is confirmed (with a few exceptions). For the safety of all employees, and their families, we are not allowing any visitors into the office whether by appointment or walk-ins.

Our timepieces are guaranteed authentic.

Each one of our timepieces go through a vigorous multipoint inspection and are carefully serviced and detailed (if needed) with only authentic original parts. All photos used in our listings are taken in-house.

We are also happy to accept trade ins towards your purchase or offer you a cash value for your timepiece.

SHIPPING

We cannot ship out watches on Fridays, Saturdays, or Sundays. No exceptions.

WARRANTY

All of our watches are backed by a 1 Year Limited Warranty on the movement of the watch. The warranty does not cover loss, theft, minor cosmetic damage to your watch. Any damage caused by negligence or mishandling of the timepiece is not covered including water damage.

Functions

Date

Since 1993, the Seamaster Professional Diver 300M has enjoyed a legendary following. Today's modern collection has embraced that famous ocean heritage and updated it with OMEGA's best innovation and design.

This 42 mm model is crafted from stainless steel and includes a black ceramic bezel with a white enamel diving scale. The dial is also polished black ceramic and features laser-engraved waves and a date window at 6 o'clock.

The skeleton hands and raised indexes are rhodium-plated and are filled with white Super-LumiNova, while the helium escape valve has been given a conical design.

The watch is presented on a black rubber strap and is driven by the OMEGA Master Chronometer Calibre 8800, which can be seen through the sapphire-crystal on the wave-edged caseback.

COVID-19 UPDATE; PLEASE READ
I hope everyone is safe and healthy during these trying times. New York City has for the most part reopened so we are back in our normal office. That being said, we are still operating with limited hours, as are all of the local FedEx Shipping Centers around us. All watches should be shipped within 48-72 hours after payment is confirmed (with a few exceptions). DESCRIPTION

Cased in stainless steel, this 43.5 mm America's Cup tribute in the colours of the competition logo features a blue ceramic bezel ring, with white liquid and red liquid ceramic for the scale and markings.

The white ceramic dial, printed with the words 36th AMERICA'S CUP, includes a date window at 3 o'clock as well as a small America's Cup on the central seconds hands.

On the caseback, a blue 36th America's Cup logo is included on the sapphire crystal glass, featuring the words AUCKLAND 2021.

A blue structured rubber strap with red lining and white stitching fixes the race-ready watch to the wrist, while OMEGA's Master Chronometer Calibre 8900 provides the power.

DESCRIPTION
It was with OMEGA's maritime legacy in mind that the brand launched its Planet Ocean line in 2005. The stylish OMEGA Seamaster Planet Ocean 600M Master Chronometer GMT pays homage to OMEGA's dive watch heritage.
This model, with its scratch-resistant sapphire crystal, features a black ceramic dial with Arabic numerals, a date window at the 3 o'clock position and a central GMT hand. Mounted on the 43.5 mm stainless steel case is the world's first polished bi-ceramic black and white bezel. Here, the numerals and scaling are delivered in contrasting colours to separate night from day.
Other features include an alveol screw-in caseback and a black leather strap with rubber lining.
The OMEGA Seamaster Planet Ocean 600M Master Chronometer GMT is water resistant to 60 bar (600 metres / 2000 feet), and has a helium-escape valve. The OMEGA Master Chronometer calibre 8906 at the heart of this timepiece can be seen through the transparent caseback. To achieve Master Chronometer status, it has passed the 8 rigorous tests set by METAS (The Swiss Federal Institute of Metrology).

COVID-19 UPDATE; PLEASE READ

I hope everyone is safe and healthy during these trying times. New York City has for the most part reopened so we are back in our normal office. That being said, we are still operating with limited hours, as are all of the local FedEx Shipping Centers around us. All watches should be shipped within 48-72 hours after payment is confirmed (with a few exceptions). For the safety of all employees, and their families, we are not allowing any visitors into the office whether by appointment or walk-ins.

Our timepieces are guaranteed authentic.

Each one of our timepieces go through a vigorous multipoint inspection and are carefully serviced and detailed (if needed) with only authentic original parts. All photos used in our listings are taken in-house.

We are also happy to accept trade ins towards your purchase or offer you a cash value for your timepiece.

SHIPPING

We cannot ship out watches on Fridays, Saturdays, or Sundays. No exceptions.

WARRANTY

All of our watches are backed by a 1 Year Limited Warranty on the movement of the watch. The warranty does not cover loss, theft, minor cosmetic damage to your watch. Any damage caused by negligence or mishandling of the timepiece is not covered including water damage.

MISSION TO THE MOON

Get (almost) real with this steel grey watch finished with a black VELCRO© strap. All hands and the tachymeter scale are in white, just like the original Moonwatch. All dials carry the OMEGA X SWATCH branding, as well as the iconic Speedmaster logo and the new MoonSwatch logo. The glass construction, the “hidden” S integrated in the center of the crystal, the fine and sophisticated circular pattern on the dial outer ring and the subdials, the sharp and smooth lugs construction, the iconic “dot over 90” detail on the tachymeter scaled bezel, and of course the unique Bioceramic touch are common to all models and stand for passionate love for details. All hours, minutes, chronograph seconds hands and hour markers sport superluminova for a perfect glow in the dark.

Description

This classic yet robust timepiece represents a tribute to OMEGA's rich maritime heritage. The dramatic and easily-recognisable dial design of the OMEGA Seamaster Aqua Terra 150M collection recalls the wooden decks of luxury sailboats.

This model features a grey dial decorated with the Teak Concept pattern and a date window at the 3 o'clock position. A scratch-resistant sapphire crystal protects this unique dial.

The 18K red gold bezel is mounted on a 30 mm stainless steel casebody on a stainless steel bracelet. This certified chronometer is powered by the OMEGA Co-Axial calibre 8520 which can be seen through the transparent caseback.

Features

- Chronometer

  Label given to a watch which has undergone precision tests and received a certificate from an official body (COSC).

- Date

  The day of the month, displayed in a window on a watch dial at the 3 or 6 o'clock position, or within a subdial at 9 o'clock.

- Screw-in crown

  Self-locking crown, screwed into the tube of the case, used for highly water resistant divers' watches.

- Transparent case back

  A transparent case back – frequently made of sapphire – makes it possible to see the movement inside the watch.

Description

This classic yet robust timepiece represents a tribute to OMEGA's rich maritime heritage. The dramatic and easily-recognisable dial design of the OMEGA Seamaster Aqua Terra 150M collection recalls the wooden decks of luxury sailboats.

This model features a grey dial decorated with the Teak Concept pattern and a date window at the 3 o'clock position. A scratch-resistant sapphire crystal protects the unique dial.

The 18K red gold bezel is mounted on a 30 mm stainless steel casebody on a brown leather strap. This certified chronometer is powered by the OMEGA Co-Axial calibre 8520 which can be seen through the transparent caseback.

Features

- Chronometer

- Date

- Screw-in crown
