A: Generally speaking, with selecting regular mail, little custom fee will be charged from our customers. However, due to strict customs inspection, you may be charged customs fees by choosing express shipping. It shall be highly appreciated if you can contact the local customs tax office. If not, your package will be destroyed in case that you do not retrieve the package. Please send us a picture of the receipt when you are charged custom taxes, we will offer you an appropriate compensation.

Q: What shipping method do we offer?

A: Standard Shipping and Express Shipping are the most common shipping methods. Apart from cooperation with UPS, DHL, FedEx, Aramex, Toll ect., we will soon to build up our own logistics line to US and Europe.

For your benefit, the shipping way is determined by your shipping address and specific situation.

Q: What if I'm not available when my package arrives?

A: It shall be highly appreciated if you can be at your shipping address for a signature. But don't worry if you can not. Go to the local express shipping company or post office with your tracking NO to pick up the parcel as soon as possible when you are back home.
